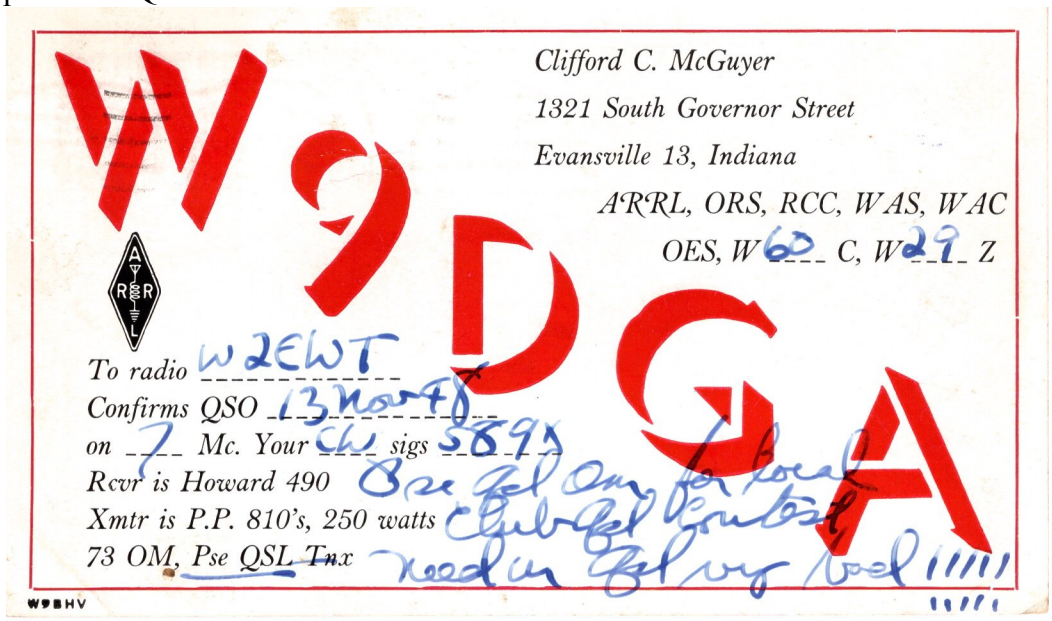
These Minutes and Newsletters were compiled by Clifford McGuyer W9CM (ex W9DGA, W9FC). The call, W9DGA, was listed in the call book magazine in his name in 1940. He was elected the first Secretary of TARS in 1947. He became Vice President in 1951, President in 1955 and was elected Treasurer in 1964. He became the ARRL Indiana Section Manager in 1953 (maybe other years) with his reports printed in QST.



Scott A Hibbs, KD4SIR, an officer of TARS, scanned all these documents compiled by Mr McGuyer into pdf files for the club to archive and share among the membership. These were originally placed in two binders 3.5 inches thick. After scanning they were separated into acid-free plastic sheets and rebound to further preserve them. This was done in the first Quarter of 2022, to celebrate our 75th Anniversary of our beloved club.
